Announcement of Business Alliance with Avanade

Quest Co., Ltd.(Headquarters: Minato-ku, Tokyo; President and CEO: Akio Oka) has reached an agreement with Japan Avanade (Headquarters: Minato-ku, Tokyo; General Manager: Yutaka Yasuma), a leading digital innovator in the Microsoft ecosystem, to establish a strategic structure to strengthen cooperation in areas such as Microsoft Dynamics 365 and Microsoft 365.

1. Aim of the alliance

As part of the strategic alliance, our company will establish a new organization for this business alliance with Avanade. In each service field, we will integrate the expertise, technical capabilities, and thinking ability of each industry with Avanade Corporation, and cooperate and complement each other to strongly support the creation of digital transformation and user experience for companies.

2. Future’s perspective

We believe this business alliance will contribute to the enhancement of the business performance and corporate value of both companies in the medium to long term, and the impact on the business performance of the current fiscal year will be minimal. In the event that any matters requiring disclosure arise, they will be promptly disclosed.
